“ I know of no parents who loved their daughter more, gave their hearts and soul to show that love. She left on earth two beautiful children to remind us of her strength and beauty. My deepest sympathy to everyone who loved and cared for her.

“ Although I didn't have a personal connection with Shanon; I felt so touched by her presence. EVERYTIME she was around, Her attitude, strength and love that she showed to everyone was like an angel from Heaven on earth, borrowed to us just for a short time. To her Mother who stood by her at all times; I'm so sorry for your loss. She touched so many lives in ways that she probably had no idea.
