“ I was a friend of "Discounts" in college. My condolences. Brock, my husband was enamored with you when you went through your illness. We met you at Jean Wolski and Steve Fritzl's wedding and he still wonders how you are and what you are doing. I don't remember what year that was but was probably the last time I saw your mom. She was a great gal.

“ Mrs. Bergmeier was not only a great teacher but mentor as well. She was so passionate about the arts and was gracious enough to share her craft with everyone. I cannot remember how many times she busted me for chewing gum in her class (and I am not the only one!!)-I think she could smell it a mile away! Thank you Mrs. B for the years you dedicated teaching those of us who lacked that 'artistic gene'.
