“ Steve was one of those guys who you smiled when you met him. Always a joke and a smile. He seemed to care about other people than himself. What a super person. We need more like him. Remember all the good time Connie. You will see him again some day.

“ *Connie~ I was sad to hear of Steve's passing. I met Steve when I worked at Health & Human Services. Steve was always kind to me and we tried to work together for the good of the clients we served. I would always kid him about coming to one of my garage sales as I know he hated them. I am hoping that he now knows the true meaning of peace. Peace be with you.*
