Tehnlea was a ray of bright sunshine wherever she went! Rooms lit up when she entered! She was always so happy and loving! Family and friend loved her "Tehnlea Cuddles". She loved to give hugs and kisses. Tehnlea also loved to color, draw, write, paint, craft, read and play with her brother and sister. She was the best big sister and helper for her mommy and daddy! Tehnlea was such a polite little girl and a wonderful role model for her brother and sister. Tehnlea had the most sweet, generous, loving, biggest heart! Her interests included playing outside, pretend play/dress up, enjoying educational games on her tablet, spending quality time with her family and friends, learning and shopping! Tehnlea was a smart little girl! She knew her shapes, colors, wrote and spelled her name, cut with scissors accurately, counted above 10 and too many other skills to list. She enjoyed going to the park, playing at the Kearney Children's Museum and playing in water! She was mommy and daddy's little princess and wherever they went, her loved Disney Princess Palace Pet puppy, Pumpkin, went with! Tehnlea loved family movie nights and eating popcorn! Her favorite movie was Frozen and Elsa was her favorite Disney Princess/Queen! She will always be so loved and greatly missed, a lot!
