“ *Way back in the late 1970's I used to write to a Thelma Lyons in Kearney, NE concerning family genealogy as I was just getting started with it. The last few weeks Thelma's name keeps popping into my head so I googled her name and shocked to see she just passed away this year!. She was a nice lady who helped me tremendously in tracing my Dusenberry tree. I'm now 66 and have almost 8,000 names in my tree. May Thelma rest and peace.*
