“ *Dear Laurie and Family,*

I was sorry to read of your stepmoma passing - and send you my sincere sympathy. I see she was 93 - pretty incredible. my thoughts to all your family.

I have been doing quite a bit of babysitting of late: alf last week and again today. last week both Lane and MorGan were sick so we had to get in survival mode. their Mom had three days of meetings in Lincoln as part of her job training. we did survive! celebrated Morgans first birthday this week; and Lane will be three in April. this grandparent could use some rechargeable batteries!

my best to you - and, again, so sorry about your loss.

Love, Roz
