“ I still can't believe that you are no longer with us. It really unbelievable to me and my daughter Thereza. I will never ever get all the wild crazy but very fun times that we had together with everyone at Desert Rose City limits the river pretty much everywhere. We've been friends for so many yrs and it's going to take me a long time to remember that you are in a better place with Kim Friedrichson . Save me a seat with everyone. Love and miss you so much
