“ I am so sorry for your family's loss. While we haven't kept in touch over the years, I do hope you will contact the Smith family with concerns and needs.
God Bless you and yours during this hardship. Deanna

“ Tom's truck driving job used to bring him to my business on a regular basis. That's been some years ago but I'll always remember him as one of those people who really did care about whoever he was working with. One night he backed his trailer off the edge of a culvert near my place and we ended up having a tow truck down to help out. I never let him live it down but he always took the ribbing in stride. Tom was a good man, he'll be missed. Prayers to all of the family, may God's comfort surround you.

“ To all the family of Tommy, my heartfelt sympathy. I'm not sure I met Tommy but have met some of his siblings. Tommy's grandfather, Fred Schutte was a brother to my grandfather, Carl Schutte. Although we are not closely related we are family. I pray for comfort and peace to you in the days, months and years ahead.
