“ *We wish to extend our deepest sympathies to Vivian's family at this sad time. We were close neighbors since 1989. She was such a warm, kind woman and always had a cheerful smile when we visited with her. She shared so much of her garden's bounty with us over the years. She was a wonderful treasure to all of us who were privileged to know her. Take comfort in the many beautiful memories you have of her. Tom and Marlene Hansen and family*

“ *My deepest condolences to the entire family. My mother was deeply saddened to her of Vivians passing. They made a wonderful team in room 25. I will also miss seeing Vivian, I grew very fond of her and her family over the the past years. I wish I could have been able to bring her just one more milkshake.*

“ My heart is broken today as we learn of our Dear Auntie's passing. The 'Dear' can not be stressed enough! I would honestly say she was a role model...what could she not do and do well?!? But, Aunt Vivian never thought it was good enough! She always knew when to add the right amount of humor to the conversation along with her precious smile and a wink. I'll never forget the delicious chocolate cake along with a lot of yummy desserts. We had a little inside joke about the green beans she served at one of the dinners! I hope you are giggling right now. And, I spent a couple of nights at the farm and of course she was up at the crack of dawn. Here she was ironing my slip! What, my Mom was a very attentive Mother but she never thought to iron my slip. Mother always looked forward to the letters that Aunt Vivian would write and the cards she always remembered to send on those special occasions. I so appreciated the many many years she would dutifully and gently brush off my parents grave marker and place the flowers on for Memorial Day. She made the visits to the Cemetery a whole new experience for me and I now care for my in-laws grave marker in I hope the same manner...but that is only one and Aunt Vivian had a list of how many! I take comfort in knowing she is rejoicing in being reunited with Uncle Otto, Chris and so many of her family and in-laws. I will always hold a very special place in my heart for her. May you keep those precious memories close to your hearts forever. I will!
